

St. George's Habitat Conservation Map

Your town conserves wildlife habitat!

Do you know the roads marked with a star?

Can you circle your school and find your house?

Can you circle the closest protected habitat (green blobs) to your house?

Fill in the road names! ★

Friendly Neighbours

Who are your neighbouring towns? Write on the dotted lines.

Map Legend

Trails	Birdwatching	Town Hall	Library	School

Home Sweet Habitat

List or draw who/what makes this habitat their home

The S in SAM is for Stewardship!

Stewardship means to take care of the environment

Stewardship Checklist:

- Walking a Trail
- Finding a Geocache
- Talking about Wetlands
- Recycling
- Learning a Bird Call
- Birdwatching
- Picking up Litter
- Reading about Wetlands
- Composting
- Keeping Pets on a leash

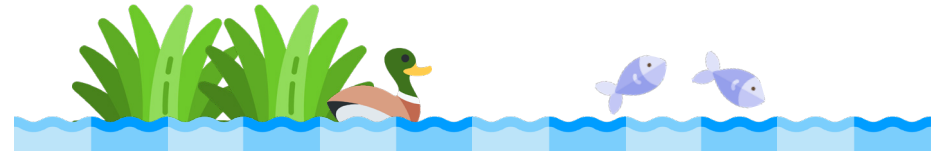

Habitat Conservation and YOU

Say Hello to **SAM**

Stewardship Association of Municipalities works with **your town** to help conserve habitat for animals, birds, fish, plants, and you!

Habitat: is the natural home of plants, animals, and other organisms

Conservation: is the protection of the natural environment including its plants and animals

Birdwatching List

Circle the birds you have seen in your town

I help conserve habitat because...
