

Harbour Grace Conservation Map

Your town conserves wildlife habitat!

Do you know the roads marked with a star?

Can you circle your school and find your house?

Can you circle the closest conserved habitat (green blobs) to your house?

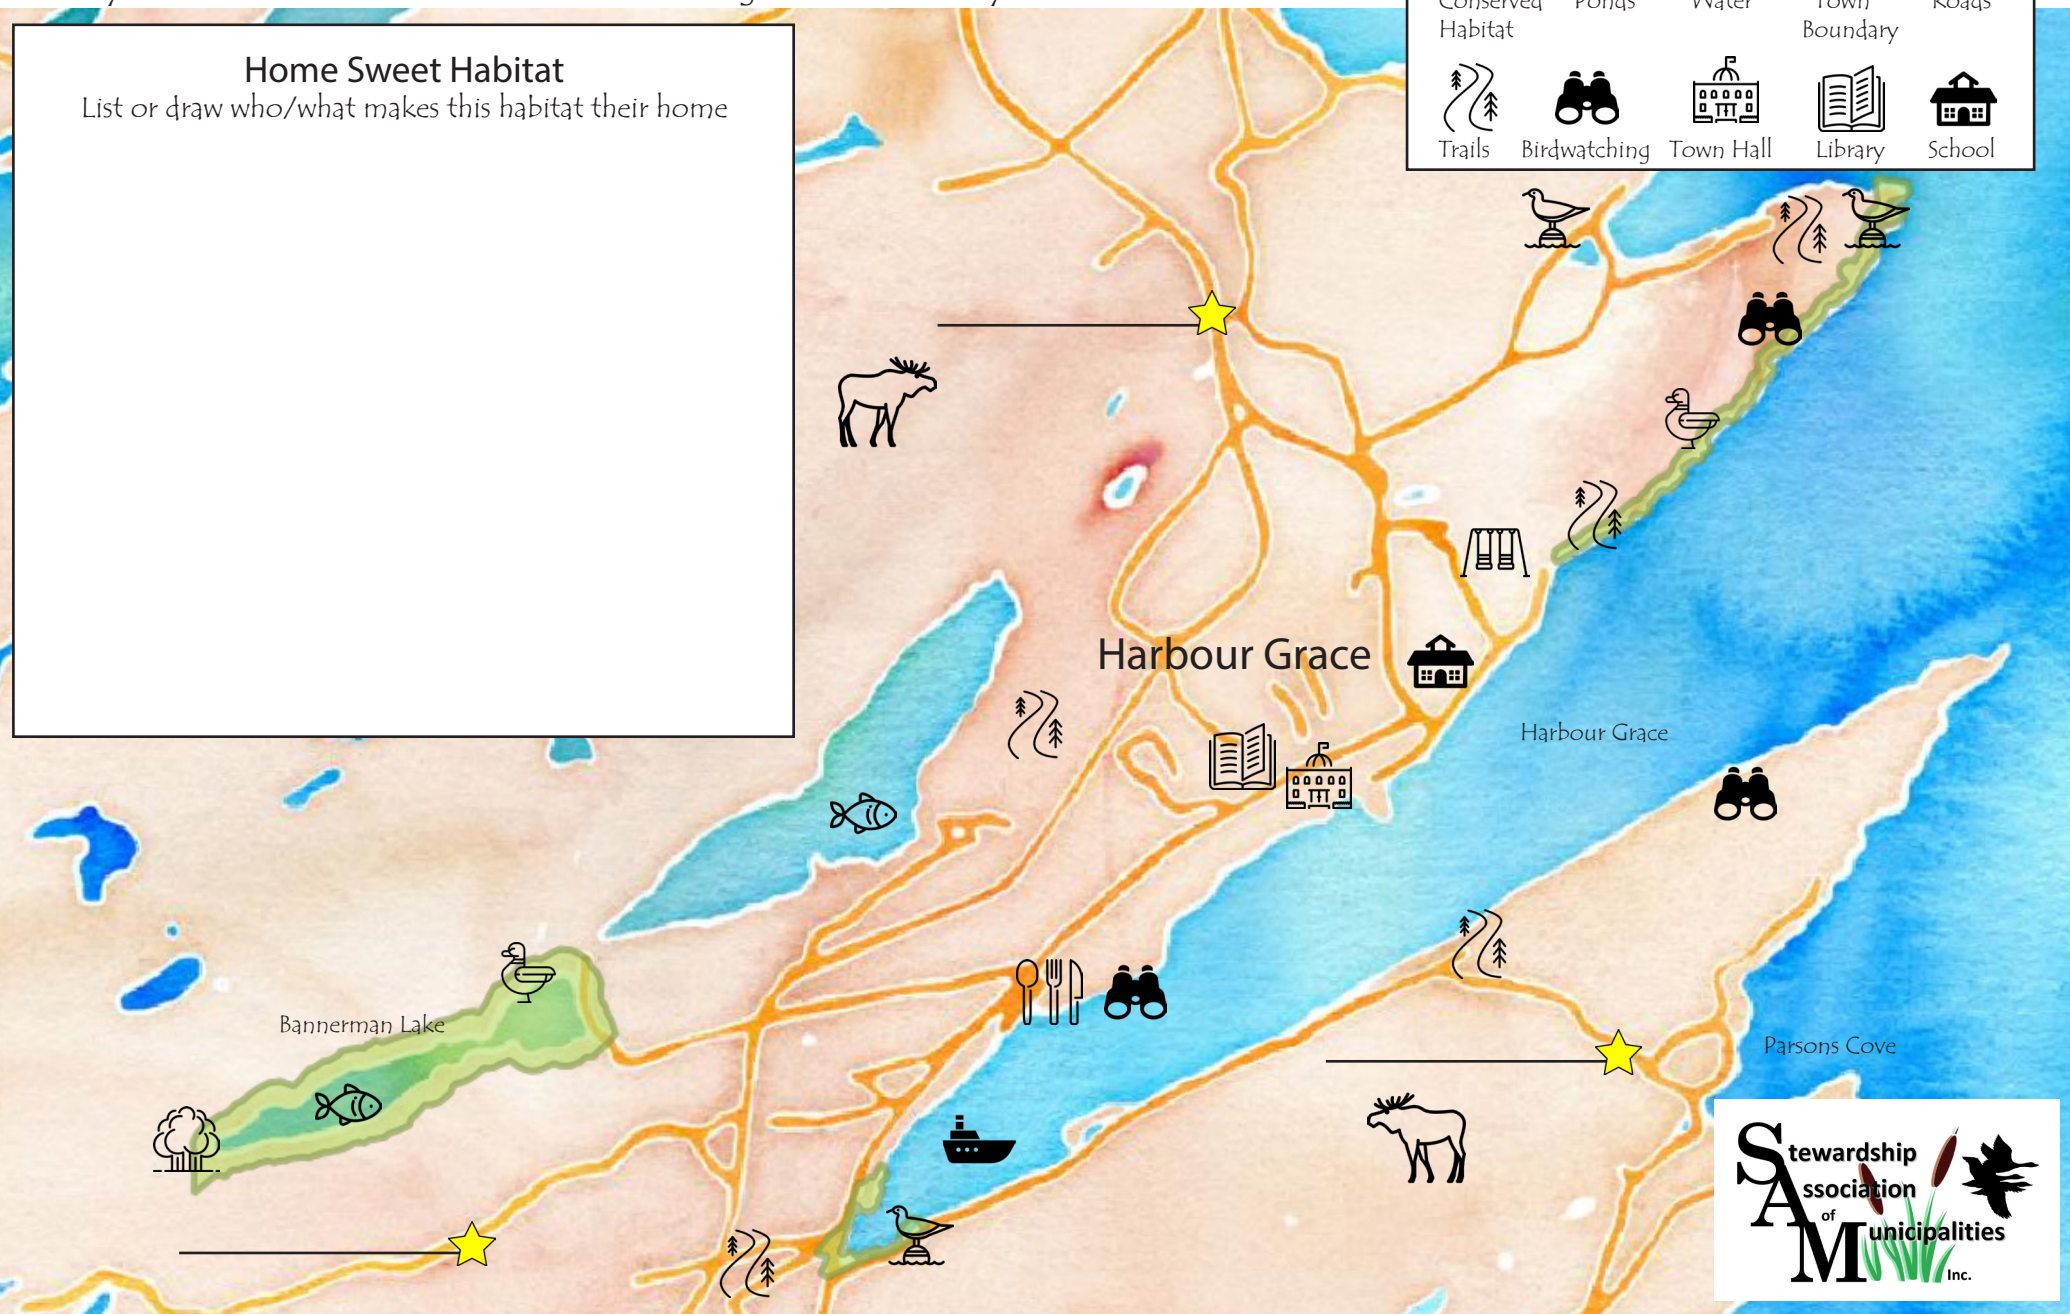

Fill in the road names!

Habitat Conservation and YOU

Say Hello to SAM

Stewardship Association of Municipalities
works with **your town** to help conserve habitat
for animals, birds, fish, plants, and you!

Habitat: is the natural home of plants, animals, and other organisms

Conservation: is the protection of the natural environment including its plants and animals

I help conserve habitat because...
