

ST. JOHN'S Habitat Conservation Map

Your city conserves wildlife habitat!

Your city protects 3 important habitats, Lundrigan's Marsh, Southside Hills, and Cape Spear Wetlands! They are marked with a star, can you find them?

The city shares a border with many towns. Can you trace the city boundary?

Map Legend

Protected Habitat	Ponds	Water	Town Boundary	Roads
Trails	Birdwatching	Town Hall	Library	Airport

Conservation Areas

Conservation Champions!

Did you know there are many environmental and conservation organizations in your city!
How many can you list?

Home Sweet Habitat

List or draw who/what makes this habitat their home

Friendly Neighbours

Who are your neighbouring towns/cities? Write on the dotted lines

The S in SAM is for Stewardship!

Stewardship means to take care of the environment

All bird illustrations by David Allen Sibley, from audubonsociety.org; All graphics from freepix.com

Habitat Conservation and YOU

Say Hello to **SAM**

Stewardship Association of Municipalities
works with **your town** to help conserve habitat
for animals, birds, fish, plants, and you!

Habitat: is the natural home of plants, animals, and other organisms

Conservation: is the protection of the natural environment including its plants and animals

I help conserve habitat because...
