

# Red Bay Coastal Habitat Stewardship Agreement

The Town of Red Bay and the Government of Newfoundland and Labrador signed a **COASTAL HABITAT STEWARDSHIP AGREEMENT** in 2009, committing to the conservation and enhancement of wildlife habitat within the town's planning boundaries.

St. Peter's Bay Stewardship Zone lies approximately 60 km northeast of Red Bay and stretches 5 km wide, with several small islands. It is an important nesting, moulting, and staging area for the common eider.
